ONE BATTERY FOR ALL YOUR TOOLS

With Greenworks your possibilities are endless. Enjoy the work.

Greenworks is a fresh, rapidly growing brand selling innovative battery products designed to make gardening more enjoyable. You get zero fumes, no maintenance & no hassle. Just clean, strong battery power. Our products are versatile, easy to use and environmentally friendly.

Convenient

Greenworks has unusually strong voltage ranges, from 24V up to 60V. You can drill a hole in the wall, cut down a tree in the garden, or mow an entire city park. Your choice.

Simple

Greenworks equipment is designed to be lightweight, super easy and enjoyable to use. Charge one battery while using the other and keep going.

Smart

Switch to Greenworks and get zero fumes. Just great tools for today's fans of gardening and DIY. Enjoy.

DigiPro brushless motors

Old technology like petrol engines reach up to 15% energy efficiency (the rest is wasted on heat generation). Modern battery powered motors are totally different. We normally use DigiPro brushless motors that reach a stellar 90% energy efficiency, and brushed motors that reach 75% energy efficiency for some of our products. Welcome to the future.

Batteries are the future, and some are more powerful than others.

At Greenworks we have been developing battery powered equipment from day one. 18V is the industry standard. But we don't do standard. Our equipment delivers true performance in every voltage range – from 24V to 60V.

One battery for all your tools

Use the same battery for all equipment in the same voltage range.

Two batteries makes you unstoppable

Charge one while you use the other.

Strong, stronger, strongest

Our equipment comes in 24V, 40V & 60V.

Developed together

A battery-powered device is only as good as its motor. So we develop the motor and battery together for optimum results.

LITHIUM-ION RECHARGEABLE BATTERIES

- Always get the power you expect
- Always get maximum energy capacity
- Rapidly charge one battery while you use the other

It's easier with a battery

1. Ready to start
2. Low noise and low vibration
3. Low weight
4. Low running cost
5. No maintenance
6. No direct emissions
7. Energy efficient
8. Environmentally friendly

Be in charge of your garden. Easy!

ONE BATTERY FOR ALL YOUR TOOLS

Strong power ranges from 24 volt to 60 volt. Use the same Lithium-Ion battery for all equipment in the same voltage range.

HERO

String Trimmer
GWG24LT30M

This is the all round range with anything from drills and saws to hedge trimmers. All in all 25 tools for DIY and gardening, all on the same powerful battery. With 24 volt you get one cell more than most power tools, and the range also includes three power tools with Greenworks DigiPro brushless motors. This means even more power, longer runtime, higher speeds, greater efficiency and less noise. The products are lightweight so you can enjoy the work for as long as you like. And thanks to low noise, you get the chance to actually hear the birds sing while you're working outside.

The powerful 60V range

Made for large gardens

HERO

Backpack blower
GWGD60BPB

This is the range for large, hilly gardens with features like cruise control and boost mode. 60V is equivalent to petrol power in green drive, and the products are lightweight and so silent you can even hear the birds singing while you're working. Nine out of eleven tools in the range use Greenworks DigiPro brushless motor technology. This means more power, longer runtime, higher speeds, greater efficiency and less noise. A 60V lawn mower could mow 350m² – 450m² with a 2Ah battery, and 700m² – 900m² with a 4Ah battery in one go. You can use the same 60V battery for all your 60V tools.

The 60V Li-Ion battery powers all tools in the range

- Anti-drill and quick release coupling on the spray gun

Included Accessories

- High-pressure gun
- Fixed fan jet nozzle
- Water filter
- High-pressure detergent nozzle, 450 ml
- 6 m high-pressure hose

MAX FLOW RATE
420 L/H

TANK SIZE 20 L

Power	1,900 W
Max. pressure	135 bar
Weight	11.5 kg

145bar Pressure Washer

GWG50 | EAN: 6952909026688

- Compact design with onboard hose reel and telescopic handle for convenient usage and storage
- Aluminium pump head with stainless steel pistons for longer pump life
- Foam nozzle and rotary nozzle for stubborn dirt
- Anti-drill and quick release coupling on the spray gun

Included Accessories

- High-pressure gun
- Fixed fan jet nozzle
- Water filter
- High-pressure detergent nozzle, 450 ml
- 8 m high-pressure hose

MAX FLOW RATE
440 L/H

TANK SIZE 20 L

Power	2,200 W
Max. pressure	145 bar
Weight	12.6 kg

180bar Pressure Washer

GWG70 | ERP: 5104407 | EAN: 6952909026701

MAX FLOW RATE
660 L/H

TANK SIZE 20 L

- SRT Smart Reponse Technology
- Compact design with onboard hose reel and telescopic handle for convenient usage and storage
- Aluminium pump head with stainless steel pistons for longer pump life
- Foam nozzle and rotary nozzle for stubborn dirt

Included Accessories

- High-pressure gun
- Adjustable 5-in-one nozzle
- Water filter
- High-pressure detergent nozzle, 450 ml
- 10 m rubber armed high-pressure hose

Power	3,000 W
Max. pressure	180 bar
Weight	14.7 kg

24V Overview

MODEL	PRODUCT	EAN-CODE
GWG24B2	24V 2Ah Lithium-ion Battery	6952909002330

Maybe you've never heard of us before. That's because we're the future.

Hello, nice to meet you. We are Globe Group, the people behind the Greenworks brand. We are a young company who are front-runners in a world that leaves fossil fuels and electric cords behind.

We focus on making battery-powered garden tools and power tools, as well as air compressors, pressure washers and generators.

Our HQ and production facilities are in China. Our office for Canada and the USA is in North Carolina. The EMEA office is in Sweden together with our R&D centre. Our vision is to be one of the leading companies in our industry by 2020. Enough talk. Now go enjoy our products.
