

THE NEXT GENERATION OF **VACUUM PUMPS**

Pumping Innovation VPX7UK, VP87UK, VP67UK

The latest industry innovations have arrived from Fieldpiece.

- Best in class flow rates VPX7UK and VPX7UK230 10CFM, with 110 or 230 volt, VP87UK and VP87UK230 8 CFM, with 110 or 230 volt, and VP67UK 6CFM, dual voltage, that get the job done fast. All three pumps are lightweight & portable.
- RunQuick™ Oil Change System allows oil changes on the fly – no need to turn off the pump and you won't lose vacuum.
- Massive back-lit oil reservoir lets you clearly see the condition of the oil and the operation of the system and new removable window for cleaning.
- Durable, sturdy pumps with a strong base and a small footprint that eliminate spills. Easy to use hose valve ports that keep hoses in line and easy to work around.

REVOLUTIONARY RUNQUICK™ OIL CHANGE SYSTEM

The new pumps optimize the revolutionary RunQuick™ Oil Management System with an extra bottle and a massive backlit, removable window. Good oil is a key ingredient of every evacuation. Clearly view the pump oil to see the condition of the oil and the system. Replace the oil in under 20 seconds, even while the pump is running, without losing vacuum. When it's time to change the oil, it's quick, clean and easy.

**VPX7UK and
VPX7UK 230**

**VP87UK and
VP87UK230**

**VP67UK
(Dual voltage)**

Flow Rate, Nominal	10 CFM	8 CFM	6 CFM
Pump Body	EPO* Aluminum alloy	Cast iron	Cast iron
Motor	¾ HP DC Motor	¾ HP DC Motor	½ HP AC Motor
Weight	10,89 kg	12,25 kg	13,15 kg
Intake port	4 in-line (1) 1/4", (2) 3/8", (1) 1/2"	4 in-line (1) 1/4", (2) 3/8", (1) 1/2"	4 in-line (1) 1/4", (2) 3/8", (1) 1/2"
RunQuick™ Oil Change System	Two 237 mm bottles of oil	Two 237 mm bottles of oil	Two 237mm bottles of oil
Sturdy base, small footprint	22 L, 38,1 x 19,81 x 29,21	22 L, 38,1 x 19,81 x 29,21	22 L, 38,1 x 19,81 x 29,21
