

SAMSUNG

Samsung WindFree™ Elite R32

The Samsung WindFree™ range keeps you comfortably cool without any cold drafts. It provides intelligent indoor climate comfort thanks to smart controls that adapt to your personal preferences, automatically maintaining optimal conditions.

WindFree™ Cooling

WindFree™ technology enhances your indoor comfort by using thousands of micro-holes to disperse fresh air uniformly without any unpleasant blasts of cold wind. In WindFree™ mode, air is spread softly and silently, creating a 'Still Air' environment¹ that provides you total well-being day and night.

Smart Operation

AI Auto Comfort² introduces you to an intelligent way of living. It analyses your room conditions and usage patterns³, and then automatically adjusts the temperature. Temperatures can also be managed remotely using the SmartThings App⁴. Turning it on and off, selecting the cooling mode or scheduling its operation is just one touch away.

WiFi Control

Temperatures in your building can be managed remotely using the SmartThings App⁵. Turning it on and off, selecting the cooling mode, scheduling its operation or monitoring the power consumption is just one touch away. The Bixby 2.0 Artificial Intelligence (AI) system⁶ analyses and predicts your needs so it can suggest the best settings for inside your home.

¹ASHRAE (American Society of Heating, Refrigerating, and Air-Conditioning Engineers) defines "Still Air" as air currents at speeds below 0.15m/s which lacks the presence of cold drafts.

² A Wi-Fi connection and Samsung SmartThings application account are required.

³ Stores user data, preferences and usage patterns to suggest the most useful options.

⁴ Available on Android and iOS devices. A Wi-Fi connection and Samsung SmartThings application account are required.

⁵ Available on Android and iOS devices. A Wi-Fi connection and Samsung SmartThings account are required.

⁶ Voice control is supported in English.

Samsung WindFree™ Elite R32

- Three-step cooling: Fast Cooling mode, Dehumidification mode and WindFree™ Cooling mode.
- Tri-Care Filter system with Zeolite Coating.
- AI Auto Comfort and Motion Detect Sensor.
- Wi-Fi Control with Samsung SmartThings and Bixby voice controls.
- Compressor with Digital Inverter Boost technology.
- Triple Protector Plus to protect compressor, fan and controller from power surges.

Specifications

Model No.	Indoor Unit		AR09TXCAAWKNEU	AR12TXCAAWKNEU	
	Outdoor Unit (1-phase)		AR09TXCAAWKXEU	AR12TXCAAWKXEU	
Capacity	Cooling	kW	2.50(0.90-3.60)	3.50(0.90-4.80)	
	Heating	kW	3.2(0.8-710)	4.00(0.80-7.30)
